Hi Mike –

Yes, I took the verbiage that we used for the Walgreens email and just made some very slight modifications so that it would be customer and situation appropriate.

I did not have legal review this letter.

I can forward it onto Beth for her comments if you would like.

Ok

Did we have legal review this letter....

Is this letter similar to the verbiage that we used for Wags.

Mike and Mike,

Optisource's ordering on the 30mg Oxy IR tabs is in excess of their rolling 6 month average.

Their six month average is 11, 928. Month to date, they have been shipped 13,896 bottles. Based on where we are in the month (52%), this falls under our SOP of suspicious ordering.

I know we are filling their primary demand right now, but we need to get a statement from them for our files.

Please contact me with any questions. If you could target getting back to me within 3 business days, that would be appreciated. Opti's future orders for 30mg Oxy IR will not be shipped until we have the statement.

Many thanks,

Rachelle
